Imagine visiting the Palace of the Popes in a quaint medieval town or strolling through a breathtaking lakeside village where Pontiffs for centuries, including now Pope Leo, have called their summer home. Or being among the select few allowed to walk along a secret Papal corridor known as the Passetto, between the Vatican and Castel Sant Angelo.

You can experience all of this along with amazing tours in Rome, Orvieto, and Arezzo, by joining me, Teresa Tomeo and my EWTN colleague, Papal Biographer and Church Historian Dr. Matthew Bunson, for La Dolce Fede 2026/In the Footsteps of the Popes.

You don't want to miss this unique opportunity next October, to grow closer to the Lord by learning about the Vicars of Christ, past and present, as we follow in their footsteps and pray in some of the most important shrines significant to the life of the Church.

Benvenuto. We look forward to welcoming you soon.  
-Teresa and Matthew
